RESUBMISSION OF APPEAL BRIEF

United States Patent and Trademark Office
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the Action dated May 2, 2006, Applicant herewith re-files the appeal brief under rule 41.37, with a new electronic signature.

It is believed that the original Appeal Brief was in fact proper, since it included an electronic signature (/SCH/), a reg number, and was "reasonably specific" to the person who was signing. (Rule 1.4 iii B). However, this brief is resubmitted herewith to obviate any possible issue of improper signature. No fees should be necessary.

Respectfully submitted,

Dated: 5/12/06_____
